# MacAllister Machinery Operator Training – Level 2 & Level 3

## **LEVEL 2 – PROFESSIONAL OPERATOR TRAINING;** (max of 6 students)

- Course is designed for experienced operators with three or more years of experience.
- Experienced participants benefit by refining operating techniques and learning application tips and knowledge.
- This course is more hands on, and in the iron.
- At the end of the course, participants need to demonstrate the ability to conduct a thorough walk-around inspection, competently operate the machine in the given tasks, pass a safety quiz with a score of 100% and a written knowledge assessment with a minimum score of 80%.

## **LEVEL 3 – PROFESSIONAL OPERATOR CERTIFICATION**

- Successful completion of Level 2 class is a prerequisite.
- This course is intended for highly experienced operators.

Please call for more details and special quote.

- Attendees receive a Certificate of Completion
- Class size - minimum of 4 students
